ART WORK: INTRODUCTION & DISCUSSION WITH TEMPORARY SERVICES

Please join us for a public discussion. Temporary Services will give a short introduction to the newspaper, its distribution and the events and discussions happening around the U.S. and Puerto Rico. The discussion will focus on how artists, art students, and arts professionals are coping with the miserable economic climate we are living through and how we can build different, more ethical arts infrastructures for the future.

ART WORK

A NATIONAL CONVERSATION ABOUT
ART, LABOR, AND ECONOMICS

Art Work is a newspaper and website (www.artandwork.us) organized by Temporary Services. It includes writing and images from artists, activists, writers, critics, and others about working within depressed economies and the impact felt on artistic process, compensation, and sustainability. This independently published, 40-page newspaper is distributed throughout the United States and Puerto Rico. The exhibition at Gallery 400 features a project display, documentation, and free copies of the newspaper.
